

Ang kalusugan ay mahalaga sa iyo at sa iyong pamilya. May mga programa sa kalusugan na galing federal, state o local. Maraming imigrante na hindi nagpapatingin sa doktor dahil:

- Hindi nila naintindihan ang health care system dito U.S.;
- Hindi sila eligible sa health insurance programs;
- Nag-aalala sila na baka mahal ang pagpapagamot;
- Nag-aalala sila na baka kung sila'y nasa health care ng gobyerno, ito'y makakasama sa kanilang immigration status.

Narito ang ilang katanungan at mga kasagutan para inyong maunawaan ang health care upang kayo at ang inyong pamilya ay makabenipisyo ng health care at maiwasan ang pagkakasakit o emerhensiya.

Ang paggamit ba ng health benefit programs tulad ng Medi-Cal o Healthy Families ay makakaapekto sa aking immigration status?

Hindi. Ang paggamit ng health care programs, kahit federal, state or local programs, ay hindi makakasama sa immigration status at pag-aaply ng green card, maliban kung ikaw nasa Medi-Cal at nasa long-term medical care sa ospital, tulad ng mental institution o nursing home. (Tingnan ang pg. 5 para

iba pang impormasyon kung ito'y makakaapekto sa iyong katayuan.)

Paggamit ng health programs ay HINDI makaapekto sa iyong immigration status.

Anong programa ang ngangailangan na ikaw ay legal para makinabang?

Kung minsan, may mga programa na kailangan ang impormasyon tungkol sa iyong immigration status para matiyak na ikaw nga'y "Qualified immigrant." * Kung ikaw mismo ang tumatanggap ng benipisyo, ito ang mga programa na kailangan ikaw ay "qualified immigrant":

- **Healthy Families for Children**- Para sa mga bata, ito'y ito'y nagbibigay ng "health, vision at dental care"
- **Healthy Families for Parents** (balang araw ang mga pamilyang kasapi sa "Healthy Families" ay maaring maisali din sa health coverage. Kailangan maging citizen o "green card holder."
- **Full Medi-Cal** - doctor visits, hospital nursing care, prescription drugs, emergency care, prosthetic/orthopedic devices, pregnancy-related care, and some dental.
- **In-Home Supportive Services for persons who are blind, disabled or elderly** - personal care, meal preparation, and transportation to medical appointments.
- **Medicare for Seniors** - free hospital insurance (Part A) and opportunity to buy medical insurance (Part B).

Kung nais malaman na ikaw ay eligible, makipagugnayan sa welfare office o mga ahensiyang nakalista sa ilalim

*See page 3 for definitions of "qualified immigrant."

Totoo bang kung ako'y "TNT" (undocumented), hindi ako eligible sa anumang health benefit?

Hindi. May mga programang hindi nangangailangan ng U.S. Citizenship o legal status para makisali.

Ito ang mga programang ito'y bukas sa LAHAT, kahit ano ang kanilang immigration status:

Wala akong insurance at ako'y TNT (undocumented). Tanggapin ba ako sa ospital?

Noong 1986, ang gobyerno ay nagpasa ng isang batas na nagbabawal sa mga ospital na tumanggap ng mga walang insurance at walang ibang paraan para magbayad.

Paano ako makabayad ng aking medical bills kung ako'y walang insurance?

Parasa mga emergency room visits, ang gma ospital ay may programang tinatawag na **Ability to Pay Program**, pero kailangang I-request mo ito sa loob ng dalawang buwan ng iyong pagpunta sa ospital. Maari ka ring mag-apply sa **Restricted Medi-Cal** para sa iba pang gasots sa medical, tulad ng gamot. Ang iyong pag-apply ng Restricted emergency Medi-cal hindi makaka-apekto sa iyong immigration status.
